MEMORANDUM

TO: Alphonso Brooks # 245760

FROM: Marcos A. Lopez Assistant Chief of Security *M Lopez*

RE: Grievance filed on 11/7/05

DATE: December 1, 2005

You filed a grievance on 11/7/05 regarding your placement in segregation for being in possession of methamphetamines. This memo is to inform you that after an investigation was completed it was determined that you in fact, on October 14, 2005 were never in possession of methamphetamines and all documentation that was submitted regarding you having possession has been pulled from your Inmate record / file. You were charged with another rule violation and that will stand. Appropriate disciplinary action has been taken with the staff member that was directly responsible for this incident.
