

**FLORENCE CORRECTIONAL CENTER
MEMORANDUM**

TO: Grievance Coordinator Carl Richey
FROM: SCO A. Rodriguez, Grievance Officer *AR*
DATE: January 25, 2006
SUBJECT: BROWN, ANTHONY #6555 Grievance Appeal #06-0046

This grievance was screened appropriately as the inmate refers to staff as monkeys in grievance #06-0022, ("Monkeys could do a better job running the place"). Inmate Brown also stated in this same grievance that "any purported medically trained personnel who infers otherwise should return their licenses to the cracker jack candy manufacturer."

Inmate Brown can re-submit his grievance omitting his biased opinions of staff. If he fails to do this, his next grievance will be returned unanswered.
